Dear Annette,

On behalf of Malco Products, I wish to proudly present Diversified Plastics with the Malco Preferred Supplier Award. Your company has passed a rigorous evaluation that sets you apart from your competition. I have included your evaluation for review.

The evaluation consists of three parts:

Part 1 - Are the products you supply to Malco integral to our business?

Part 2 - Malco Purchasing evaluates your company based on your Quality, Lead time, Service, and Price, with Quality holding the highest importance.

Part 3 - Other functional areas of Malco, including Engineering, Quality Assurance, Shipping/Receiving, and Planning rated you based on your Engineering Capability, Communication, ease of doing business, and other factors that Malco deems critical to our success.

The award ensures that Diversified Plastics will be considered for new Malco business opportunities in the future, and that we are excited to develop our partnership with you.

It is because of your efforts that Malco is a successful company! Please pass along our appreciation to all your associates.

Sincerely,

A handwritten signature in black ink that reads "Tina Peterson".
